

THE WINE LIST

March 2026

This selection forms the basis of what is in stock most of the time. These are all good quality wines and spirits that offer excellent value – especially when compared with their prices charged in the UK. We prefer to show keen headline prices, rather than raise them so as to take off some notional “discount”. The euro price you see is the price you pay.

These are the prices for items **collected** from our shop. If you wish to order wines to be **delivered** in the UK or around the rest of Europe, please visit www.boursot.co.uk/buy.html where you can see, order and pay for the wines. Because the wines there are for delivery, the prices are different because of all the repackaging and as a contribution towards the high cost of delivery. Since 1 January 2021 in the UK there are new import charges payable on delivery. However our prices are still less expensive than if you were buying these wines, even if you could find them, elsewhere.

If you have registered for Skiptax, Zapptax or Solpay and downloaded their app, you can take advantage of the 20% reclaim of French VAT if you are taking the wine back into the UK. We also work with Global Blue. We will make out your invoice to you c/o the provider and then you scan the invoice on to the app and take your phone to the Tax Free zone at your exit terminal and within days your bank account will be credited with the tax amount less the provider’s commission.

You probably know some of our wine choices already, but we will of course be happy to explain individual styles - and of course you can taste many of them as and when you come to the shop. We have no minimum order requirement and you can mix your bottles and cases as much as you like.

You can also have your favourite wines sent directly to our premises from the vineyards, so that you can simply hop across to collect these cases, taking advantage of low French prices. Please call or e-mail for further details.

We are here to help you. And whilst here, enjoy lunch in one of the town’s many restaurants: see [Our Guide](#) for notes on these as well as for places to stay and other places of interest.

It is always helpful if you can place your order before you arrive. In that way, we can ensure that your order is pulled out of stock and is ready for your arrival.

The attractive town of Ardres is easily accessible, being just 15 minutes from both the tunnel and Calais. [See Map](#).

The Ardres shop is open
Monday – Saturday 10.00 – 6.00 with no closure for lunch
Open all Bank Holidays except Christmas: French or British

If you are likely to be here outside these hours, please contact us in advance and we shall be happy to open up – always assuming one of us is available.

Being in France, we charge in euros so the sterling price shown here is simply an approximate guide and is obviously dependant upon the exchange rate offered by your bank. We accept Mastercard and Visa, or cash in euros. We also accept payments by bank transfer – please ask and we will send you our bank account details.

We look forward to seeing you soon.

With my best wishes

WHITE WINES

- Le Petit Pont, Réserve, Blanc, Vin de Pays d'Oc, 2024** 5,00€ £4.20
A fresh and fruity dry white wine made from Vermentino and Chardonnay close to Béziers in the Languedoc. The wine has a vivacity and, some might say, an aroma of white fruits! Extra-ordinary quality at such a sensible price! Really easy drinking. (Lowest price in UK shops: £7.85)
- Horizon Blanc, Sauvignon/Viognier, Domaine Montmarin, Vin de Pays Côtes de Thongue, 2025** ORGANIC 5,50€ £4.60
Made from 52% Sauvignon Blanc and 48% Viognier, this wine is fresh, dry and lightly fruity. For an organic wine, this offers exceptional value. It's delicious and refreshing.
- Colombard/Sauvignon N° 3, Domaine Uby (Gascogne), 2024** 6,40€ £5.30
A dry fruity wine with a refreshing balance of freshness with exotic fruit aromas. Grapey enough to enjoy by itself or with lighter food. Drier than the No 4.
- Chardonnay, Villa d'Oriola (Languedoc), 2024** 6,90€ £5.80
This wine was previously called Infini – a light Chardonnay that is fresh and fruity. If you thought you didn't like Chardonnay, you should be pleasantly surprised by this! From the talented Jonquères d'Oriola winemaking family at Château de Corneilla just outside Perpignan.
- Viognier, Signature, Vignerons Florensac (Languedoc), 2024** 6,90€ £5.80
A light, dry but fragrant Viognier. The aromas will develop with additional over the next 6 months – a good honest wine that is great to enjoy by itself or with lighter food.
- Muscadet de Sèvre et Maine, Sur Lie, La Griffes Bernard Chéreau, Chéreau-Carré (Loire), 2024** 7,80€ £6.50
Chéreau Carré is one of the best producers of Muscadet. This is a bone-dry wine that has a zingy freshness about it, without the acidity that so many Muscadets can have. Also, having been made "sur lie", the wine has more body and spiciness. This wine is of high quality and offers you excellent value.
- Picpoul de Pinet, Domaine Morin Langaran (Languedoc), 2024** 7,90€ £6.60
Bone dry but with plenty of smooth fruit – the perfect accompaniment to fish and white meat. Also easy to enjoy by itself, serve it very cool to appreciate its refreshing character. Do not confuse this with some of the boring examples on today's market, this is from one of the two best producers of the area. Best when enjoyed young and fresh. Picpoul is the grape and Pinet is the town close to Mèze near Agde on the south coast. (Price in UK shops: £11.25)
- Gros et Petit Manseng N° 4, Domaine Uby (Gascogne), 2023** 8,50€ £7.10
A wine with exotic fruit flavours but that is off-dry. An explosion of refreshing fruit in the mouth from this typical Gascony wine.
- Les Hauts d'Artigny, Chenin Sec, Levures Indigènes, Touraine Amboise, Domaine Plou et Fils (Loire), 2024** 8,90€ £7.40
Chenin made with indigenous yeasts is really interesting. It is unique: fresh, light but dry and it's possibly best served with lighter foods such as fish or chicken. Also especially good with soft cheeses.
- Saint-Bris, Sauvignon, Bailly-Lapierre (Burgundy), 2024** 9,30€ £7.80
This is the only Sauvignon allowed in the Burgundy area and this specific example has a lovely complexity with the minerality of a good Chablis whilst having the freshness of the Sauvignon. It is grown just outside Chablis and is fresh and dry but has more softness than most Sauvignons. Fruity and easy to appreciate.
- Bourgogne Aligoté, Buissonnier (Burgundy), 2023** 9,40€ £7.80
Aligoté is the "other" grape of Burgundy and produces a wine with more freshness than that produced from the Chardonnay. It is very dry. This is produced in the Chablis area and is an excellent example at a very reasonable price.
- Château Carbon d'Artigues, Graves (Bordeaux), 2023** 9,50€ £7.90
A classy dry Sauvignon / Sémillon wine, with some of the typical spiciness found from the Graves region. A modern dry white, made by "maceration pelliculaire", low temperature fermentation and being kept on its lees. Great with lighter food.
- Amor, Vin de Pays d'Oc, Domaine La Croix-Martelle (Minervois), 2024** ORGANIC 9,90€ £8.30
An unusual blend made from 20 year old Sauvignon and Marsanne vines, cold fermented to produce a fresh but flavoursome dry white. Enticingly delicious, either by itself or with most white meats.
- Muscat de Rivesaltes, Château de Corneilla, Vin Doux Naturel, 2024** 10,50€ £8.80
One of the finest Muscats we've tasted recently: a lighter and more refreshing style of wine than Muscat de Beumes de Venise, this is citric-fresh but sweet. An excellent dessert wine at a sensible price.

- Comte Leloup du Château de Chasseloir, Cuvée des Ceps Centenaires, Muscadet de Sèvre et Maine, Sur Lie (Loire), 2019** 10,90€ £9.10
 At Château de Chasseloir there are five hectares of vines that are more than 100 years old. These grapes are picked by hand, and the wine has its lees stirred in tank for 9 to 10 months and finally it is aged for at least two years in bottle so as to create this very special cuvée. Dry but with body and complexity: fab!
- Chenin Blanc Sur Lie, Noble Hill Estate (Simonsberg-Paarl, SA), 2022** **ORGANIC** 11,70€ £9.80
 A really delicious organic Chenin that has been aged on its lees (sur lie) to give it more texture and flavour. Easy to enjoy by itself or with light foods. It even has enough freshness to cut through spicily flavoured foods.
- Sauvignon Blanc, Vondeling Wines (Paarl, SA), 2023** 11,90€ £9.90
 With an aroma that is almost reminiscent of grapefruit, this wine is fresh, soft and fruity. So easy to enjoy by itself before or even alongside a light meal. This wine shows off all that is so good about SA Sauvignon.
- Riesling de Wolxheim, Maison Zoeller (Alsace), 2024** **BIO DYNAMIC** 12,40€ £10.30
 A wine that has the typical Riesling dryness and minerality. Grapey and dry but not bone-dry. Wolxheim is in northern Alsace and this newly discovered wine is excellent
- Gewürztraminer, Maison Zoeller (Alsace), 2020** **ORGANIC** 13,10€ £10.90
 A dry Gewürz that has a lychee-like grapeyness to it. The perfect accompaniment to many Asian or other spicily flavoured foods. 2020 produced a drier style than other more recent years.
- Lirac Blanc, La Fermade, Domaine Maby (Rhône), 2024** **ORGANIC** 14,20€ £11.80
 Made predominantly from Grenache Blanc with Clairette, Picpoul and Viognier, the juice is cold fermented to retain freshness. It has light, floral aromas, with more softness and fullness in the mouth and finishes with a little spiciness – a lovely marriage of flavours that makes it so good to accompany various lighter foods. This wine is regularly applauded by the wine guides and critics.
- Mâcon-Solutré-Pouilly, Domaine Pascal Renaud (Burgundy), 2024** 14,40€ £12.00
 The village of Solutré on top of its eponymous rock generally produces a more mineral style of white Mâcon and this is probably the best in its class. We recommend this highly – the wine is easy to appreciate with its lighter texture yet full grapey flavour. Mouth wateringly delicious wine.
- Bourgogne Aligoté, Vieilles Vignes, Domaine Clotilde Davenne (Burgundy), 2023** 14,70€ £12.30
 This superior Aligoté is made from old vines in the Grain d'Argent vineyard in Chablis, and the juice is left on its lees for six months. There is a resulting richness of dry fruit on the palate, making it perfect to enjoy by itself or with richer tasting fish or white meats. To enjoy now.
- Petit Chablis, Domaine Maurice Lecestre, 2024** 14,90€ £12.40
 This is classic stuff. Petit Chablis is a lesser Chablis – still good with the character of its famous parent but with less concentration of the minerality. From a small domaine in close by Fontenay, this is a great introduction to Chablis.
- Montagny, Vignerons de Buxy (Burgundy), 2024** 14,90€ £12.40
 Montagny is one of the four main wine producing villages in the Côte Chalonnaise and produces lighter styles of dry white wine from the Chardonnay grape. Buxy produces the majority of all Montagny and this particular wine is full of dry flavour and is of excellent quality. Good for your special entertaining.
- Estate Reserve White, Noble Hill Estate (Simonsberg-Paarl, SA), 2022** **ORGANIC** 15,90€ £13.30
 One of the first certified organic wineries in South Africa. Owner Kris Tillery makes this wine from Marsanne, Grenache Blanc, Chenin and Viognier – all vinified naturally in clay amphorae, with a part matured on its lees and in large oak. Bottled without filtering. This is just so beautiful - with flavour, elegance and a long “finish”, this wine should impress at any meal! Such good value too.
- Château de Varennes, Savennières (Loire), 2022** 16,90€ £14.10
 A bone dry wine made from 100% Chenin Blanc that could age over the next 10 years with no problem, to become fuller and softer in style.
- Pouilly Fumé, Le Coteau, Domaine Roger Pabiot (Loire), 2023** 17,50€ £14.60
 This is from 100% Sauvignon grown on chalk, sand and clay soils from the village of Tracy-sur-Loire - and has been awarded several medals. Dry, light and fresh fruit with a hint of spiciness. This is an immediately fruity and impressive wine and it will be good for at least three more years.
- Petit Chablis, Domaine Clotilde Davenne, 2024** 17,60€ £14.70
 This excellent Petit Chablis has a fruity, floral yet minerally aroma. The rising star Clotilde Davenne has created on the palate a lovely balance of crispness with the finesse of soft Chardonnay fruit. Perfect to enjoy either by itself or with light styles of food. Harmony in a glass!

- Bouzeron, Domaine Philippe Bouzereau (Burgundy), 2023** 19,90€ £16.60
Bouzeron is the name of the village and it is synonymous with the Aligoté grape. This is an impressive wine made from 100% Aligoté in Bouzereau's cellars in Meursault. Absolutely wonderful: dry, a little spicy – and a bit different! We have been granted an allocation, so we recommend you reserve your order early. The wine will be **available from May** and is expected to have all been sold by then. It will be available from May but we are taking orders now.
- Clos du Vignon, Hautes Côtes de Nuits blanc, Domaine Thevenot le Brun (Burgundy), 2024** 19,90€ £16.60
Fine white Burgundy from the Cote d'Or is hard to find at this price. This has been lightly oaked, has style and elegance and can be enjoyed from now for the next three years at least. Getting better all the time. .
- Chablis, Domaine Clotilde Davenne, 2024** 19,90€ £16.60
This lovely Chablis from the star Clotilde Davenne has a softness combined with minerality. It is real Chablis and it will taste great for at least another three years, and probably very much longer!
- Casta Diva, Lirac Blanc, Domaine Maby (Rhône), 2024** 20,40€ £17.00
This wine has probably been awarded every top medal there is to be won in any competition that it is entered for. A beautiful Lirac made from 68% Clairette and 32% Viognier and fermented in new oak casks. It is fresh yet it has lovely spicy fruit and oak flavours. The owner of the domaine, Richard Maby, is fanatical about opera (as you might have imagined!).
- Pouilly-Fuissé, Premier Cru, Aux Bouthières, Domaine Pascal Renaud (Burgundy), 2022** 28,80€ £24.00
This wine is made from 100 year old vines in Aux Bouthières which is one of the best vine plots in Fuissé. The soil in this two hectare vineyard gives an opulence of fruit combined with a minerality. Fermentation is in demi-muid large barrels and the juice is left on the lees for 18 months. This superb wine is now legally entitled to class itself Premier Cru. This is simply magnificent Burgundy and, whilst fabulous now, it will get even better over the next 10-20 years. It will probably be the finest Pouilly-Fuissé you have ever tasted!
- Montmains, Premier Cru Chablis, Domaine Clotilde Davenne, 2023** 37,90€ £31.60
This tastes simply excellent. Montmains is possibly the most famous of the Premier Cru vineyards on the Kimmeridgian limestone of Chablis. The wine combines freshness, fruit and minerality and our rising star Clotilde Davenne has created a beautifully balanced masterpiece here, that will continue to develop over several more years.
- Gewürztraminer, Vendanges Tardives, Robert Faller et Fils (Alsace), 2022** 42,40€ £35.30
Aromatic, sweet lusciously flavoured and even, with the taste of “noble rot”, this is not heavy but is a delight to savour at the end of your special meal. As with most decent quality sweet wines, if there should be any left in the bottle, put it back in the fridge and it will keep for several days – often weeks.
- Meursault, Vieux Clos du Château de Citeaux, Domaine Philippe Bouzereau (Burgundy), 2023** **ORGANIC** 50,90€ £42.40
Château de Citeaux, the original home of the Cistercian monks in Burgundy, makes classic Meursault: smooth and slightly “nutty” in style. This is of a Premier Cru quality, but without the usual price tag. It is magnificent – a real pleasure to drink, offering excellent value for a mature white Burgundy of such high quality. With recent yield shortfalls, such high quality wines are now hard to find at a sensible price. This is the last of our allocation – once sold, that's it!
- Hermitage Blanc, Les Diognières (Rhône), 2021** 60,90€ £50.80
From 60 year old vines, this is a magnificent Marsanne. Powerful yet delicate and fresh. A fine wine that will keep for 10 years – at least.
- Bougros, Grand Cru Chablis, Domaine Clotilde Davenne, 2020** 84,70€ £70.60
Bougros is the most westerly of the 7 Grand Cru climats. This is a bigger style of wine from Chablis. With its bottle age, this is a rare beast - one that balances power and elegance. Top quality.
- Puligny-Montrachet, Premier Cru, Les Champs Gains, Domaine Philippe Bouzereau (Burgundy), 2022** **ORGANIC** 86,00€ £71.70
Exquisite – this specific wine is one of the finest white Burgundies you could wish to taste, and shows off everything that is so great about these top white wines. Very elegant, with a long fresh fruity style backed with a tiny amount of new oak. Complex, classy and, quite simply, delicious. This wine will be available from May and is **on allocation. We are taking orders now.**

RED WINES

- Le Petit Pont, Réserve, Rouge, Vin de Pays d'Oc, 2024** 5,00€ £4.20
This extra-ordinarily delicious wine is made from Grenache, Cinsault and Cabernet Sauvignon. With an appealingly soft, full and juicy red fruit flavour, this is a great example of the new quality coming from the

Languedoc. The bottle also has a stylish presentation. It's one of our best "must try" wines. (Price in UK shops: £7.85)

Côtes du Rhône Rouge (Rhône) 5,20€ £4.40

A lighter style of fruity red wine from the Côtes du Rhône that is made predominantly from soft and slightly spicy Grenache. An honest inexpensive red from the co-operative in Saint-Priest that has a gentle fruity flavour and is really easy to enjoy. Good quality and well-priced.

**Horizon Rouge, Merlot/Cabernet Sauvignon, Domaine Montmarin,
Vin de Pays Côtes de Thongue, 2024 ORGANIC** 5,50€ £4.60

Made from 60% Merlot and 40% Cabernet Sauvignon at this ancient domaine, this wine is made within sight of the south coast and has clean fruity Merlot flavours. For an organic wine, this offers exceptional value. So easy to enjoy.

Cabernet Sauvignon, Signature, Vin de Pays d'Oc (Languedoc), 2023 6,90€ £5.80

Simply delicious! Full of rich ripe Cabernet fruit from the deep south of France. Very low tannins, so this is ready to enjoy now. A star.

Merlot, Vue Sur Mer, Vin de Pays d'Oc (Languedoc), 2023 6,90€ £5.80

A good everyday Merlot from the warmth of the south. Soft, with a dry Merlot fruit, this is easy to enjoy with lighter meats.

Baroques, Coteaux du Pont de Gard, Domaine Maby (Rhône), 2023 ORGANIC 8,90€ £7.40

We are always struck on tasting this ruby red wine just how much succulent juicy mid-weight fruit there is. From the southern Rhône area but without its appellation. Made from Cinsault and Syrah, but unoaked so as to show off all its lively juiciness. We hope you will like this red as much as we do!

Saint-Nicolas de Bourgueil, 100% de Terroir, La Chevalerie (Loire), 2024 8,90€ £7.40

Typical of this region, this red has a soft dry fruitiness derived from the Cabernet Franc. Mr. Bruneau, the owner and winemaker, is a perfectionist even to the extent of not using pumps to transfer his juice so as to retain maximum flavour. This very attractive wine is best when served with light food. A regular medal winner.

Les Micocouliers, Château Massamier la Mignarde (Minervois), 2023 9,20€ £7.70

This domaine has received numerous accolades including Best Wine of the World in International Wine Challenge's category Syrah-Grenache-Mourvèdre! Now served at the Elysée Palace, the Senate and 100 of France's starred restaurants. Made from these three grape varieties, this 2023 wine has a fresh but rich style and has a brambly aroma of red fruits, herbs and spices from the warm south.

**Marvès, Vin de Pays d'Oc,
Domaine La Croix-Martelle (Minervois), 2022 ORGANIC** 9,90€ £8.30

A tasty medium weight red made from 20 year old Merlot, Cabernet Franc and Cinsault grapes in this prestigious Minervois la Livinière region. It is unusual to find such a blend and we believe it works really well for those looking for something reliably good and out of the ordinary. We used to buy Sirius from this domaine but feel that this new Marvès in their selection is more interesting and offers better value!

Fleurie, Cœur de Granit, Château de Chénas (Beaujolais), 2024 10,80€ £9.00

We have so often been disappointed with the wines coming out of the village of Fleurie. but at last we have found a delicious fruity mid-weight wine that is not overly priced and is worthy of listing. This is a good honest Cru Beaujolais at a sensible price.

Pinot Noir, Pigcasso (Franschhoek Western Cape, SA), 2021 10,90€ £9.10

A wine made and named after an artist is not a new thing in the wine world but when that artist is a pig that was rescued and began to paint, that is something exceptional. Sadly, the pig died recently but her art and the wines inspired by her remain! A true renaissance for South African Pinot Noir. Great new world mid-weight Pinot Noir to drink slightly chilled on a sunny summer's day.

Merlot, GlenWood (Franschhoek), 2023 11,40€ £9.50

A mid-weight wine from this boutique winery in Franschhoek has layer upon layer of soft juicy Merlot fruit, which make this great to enjoy with lighter cold meats. Will be good for at least two years – given the chance!

**Saint-Nicolas de Bourgueil, Guelebée, Vieilles Vignes,
La Chevalerie (Loire), 2023** 11,60€ £9.70

This is the superior blend from this lovely vineyard being made from old vines with an age of between 40 and 80 years. The wine has that soft dry fruitiness so typical of the Cabernet Franc grape yet it is full, rich and round with an explosion of red fruits on the aroma. Good to enjoy by itself or with most red meats. A regular medal winner.

**Bourgogne Pinot Noir, Côte Chalonnaise, Buissonnier,
Vignerons de Buxy (Burgundy), 2023** 11,80€ £9.80

A Pinot Noir of excellent value, being from the relatively new Bourgogne Côte Chalonnaise appellation in southern Burgundy. This wine has the lighter Pinot character that is so typical of this southern area of Burgundy.

Whilst good to enjoy now, it also has the potential to mature.

Vigneron's Selection Shiraz, GlenWood Vineyards (Franschhoek, SA), 2022 12,40€ £10.30

This wine, made in Franschhoek, has a fullness of fruit on the nose whilst being soft and creamy on the palate. Easy to enjoy by itself but even more impressive with red meats.

Pinot Noir, Maison Zoeller (Alsace), 2024 **BIO DYNAMIC** 12,40€ £10.30

A medium weight Pinot Noir with soft juicy flavours. From the northern part of Alsace close to Strasbourg. Bio-dynamic (and therefore organic), this offers excellent quality and value.

Cotes d'Auxerre Rouge, Domaine Clotilde Davenne (Burgundy), 2022 14,80€ £12.30

A delicious juicy Pinot Noir made in the Chablis region. The wine has been left with the skins for just eight days and the juice has been aged in 8 - 10 year old barrels to give the wine its soft round and medium weight Pinot Noir character. Given the chance, it will be good to enjoy until at least 2027. It is simply lovely.

Rivesaltes Tuilé (Rouge), Château de Comeilla, Vin Doux Naturel, 2020 14,90€ £12.40

This little-known sweet red wine is made from Grenache Noir in the Roussillon area and is like a port but without the spirit. Only tiny quantities are produced – having been aged in oak casks for four years, this is rich and smooth. You should try this – we feel you are unlikely to be disappointed.

La Fleur Laroze, Grand Cru Saint-Emilion (Bordeaux), 2022 19,60€ £16.30

La Fleur is the "second" wine of the Grand Cru Classé Chateau Laroze, meaning it is made from younger vines and not given the full hand-finished treatment that the parent gets! However this is a great wine by any standards. Lighter and more fruity than the « Grand » wine.

Clos du Vignon, Hautes Côtes de Nuits rouge, Domaine Thevenot le Brun (Burgundy), 2023 19,90€ £16.60

A high quality Burgundy grown in the hills just behind Nuits Saint-Georges, this wine has ripe fruity Pinot flavours. Ready to enjoy now and over the next three years. A small family domaine in organic conversion.

Héritage de Chasse-Spleen (2nd wine of Château Chasse-Spleen), Haut-Médoc (Bordeaux), 2022 23,40€ £19.50

As the "second" wine of Château Chasse-Spleen in Moulis, this has much of the same character – drier but with plenty of Cabernet fruit. Rich flavoured, this is a wine to enjoy now and over the next five years.

Amandelboord Pinotage, De Grendel (Durbanville, SA), 2022 24,40€ £20.40

A softer style of Pinotage, which is a blend of Pinot Noir (juicy) and Cinsault (powerful) that is great to enjoy by itself but would be even better served with red meats or rich cheeses. Full of fruit but with delicate aromas, this is a great introduction to this famous South African grape.

Domaine de la Solitude, Pessac-Léognan (Bordeaux), 2020 28,00€ £23.30

This is, as it is so often nowadays, a completely gorgeous claret produced by the legendary Domaine de Chevalier in the Pessac-Léognan area of the Graves. Full, rich and soft, this is great to impress your guests - the longer you keep it, the more impressive it will become (up to around 2030).

Chassagne-Montrachet Rouge, Domaine Philippe Bouzereau (Burgundy), 2022 33,80€ £28.20

Philippe Bouzereau is sited at the old Château de Citeaux in Meursault village centre and he makes some really good honest wines at sensible prices. From the Côte de Beaune this delicious wine is full of smooth Pinot Noir fruit and it will get even better. Leave your bottle open an hour so as to taste the best from this wine. We have a very small stock of this remaining.

Beaune, Premier Cru, Les Theurons, Domaine Philippe Bouzereau (Burgundy), 2022 34,20€ £28.50

A wine with an amazing purity of Pinot fruit on the nose, elegant, soft and round on the palate, with an incredibly long "finish". This is Côte de Beaune Burgundy at its finest. We have a very small stock of this remaining.

Château Laroze, Grand Cru Classé Saint-Emilion (Bordeaux), 2016 34,50€ £28.80
Magnums 72,80€ £60.70

This long established Grand Cru Classé (that last word puts it in a superior class apart) château makes reliably great wine at sensible prices. Its precise location favours particularly well the Cabernet Franc grape, meaning that these wines tend towards an elegance of style. 2016 was a great but slightly underestimated year and so this wine has a good balance of rich fruit and elegance. An impressive wine that you can keep for at least another 10 years.

Château Ormes de Pez, Saint-Estèphe (Bordeaux), 2020 **In wooden (6) cases** 35,90€ £29.90

Ormes de Pez was bought some years ago by the great Jean Michel Cazes (of Lynch-Bages fame) and from that point the property has been making excellent wines. Deep in colour, the wine is rich, smooth and full on the palate but we offer you here a wine that has been matured and is perfect for immediate enjoyment, but could also remain good for at least another decade.

Château de Sales, Pomerol (Bordeaux), 2020 38,20€ £31.80

A fine Pomerol that can be enjoyed now if decanted but that will improve further given more time. Unlike other areas, Pomerol does not have a classing system, so here you will only see the name of the domaine or château.

Bowwood Pinotage, Vondeling Estate (Voor Paardeberg, SA), 2020 42,00€ £33.30

An intensely flavoured wine – rich fruit flavours backed with some oak. However, despite its richness the wine is medium weight and juicy on the palate with a remarkably long aftertaste. A wine that will be good for another five years at least. Delicious.

Domus Maximus, Massamier la Mignarde (Minervois la Livinière), 2019 48,40€ £40.30

This is one of the most decorated and awarded wines of the south, even winning Best Wine of the World in International Wine Challenge's category Syrah-Grenache-Mourvèdre! This is a smooth and concentrated wine made from 80% Syrah and 20% Grenache. The grapes were macerated for 20 days and then aged in new oak casks for 20 months. If you like "big" wine, this is something very special for you. Perfect with richer tasting meats such as duck.

Les Garouilhas, Château Massamier la Mignarde (Minervois), 2020 63,40€ £52.80

Sensational! 60% Syrah, 20% Grenache, 20% Carignan aged in oak for 2 years, this is a densely packed red with powerful grape, herb and oak aromas. Whilst this goes well with cheeses and red meats, especially those richer meats from the south, this big wine will get better and better over the next 20 years! Buy it now – drink it or put it away, you should not be disappointed. By way of reference, the critic Robert Parker stated: "This wine sets new bases in its appellation...".

Corton-Bressandes, Grand Cru,

Domaine Philippe Bouzereau (Burgundy), 2022 ORGANIC 96,00€ £80.00

Grand Cru Burgundy has become astronomically expensive in recent years. The hill of Corton is the producer of some of Burgundy's most sought after Grand Cru wines. This wine has a lovely purity of Pinot Noir fruit with a very persistent flavour. Philippe Bouzereau has crafted here a very impressive wine to enjoy over the next 20 years. We have a tiny amount remaining.

ROSE WINES

Le Petit Pont, Réserve, Rosé, Vin de Pays d'Oc, 2024 5,00€ £4.20

Grenache and Cinsault are the two grapes that have gone into the making of this refreshing rosé. This is a good wine by any standards but it is baffling how such good quality can be produced at this very reasonable price. The wine is light and dry, fresh and "grapey" - perfect for easy summer drinking. (Price in UK shops: £7.85)

Horizon Rosé, Grenache/Syrah, Domaine Montmarin, Vin de Pays Côtes de Thongue, 2025 ORGANIC 5,50€ £4.60

We would challenge customers if they said they preferred overpriced branded rosé wines to this gem! It's very pale and has a good balance of being light, fresh and dry but it has good flavour. Made from 30% Grenache and 70% Syrah in the old Hérault region of southern France.

Grenache Rosé, Bastide des Songes (Languedoc), 2024 8,90€ £7.40

Dry, pale pink and full of flavour, this is so much more exciting than the usual wines from Provence which seem to garner all the compliments these days! Easy to enjoy by itself or with most food, this is just lovely.

Tavel Rosé, La Forcadière, Domaine Maby (Rhône), 2024 ORGANIC 12,20€ £10.20

A full dry rosé, with an aroma of red fruits, made from nine different grape varieties, but predominantly Grenache Noir. Highly decorated by the world's wine critics, we feel you cannot fail to be impressed!

Lirac Rosé, La Fermade, Domaine Maby (Rhône), 2024 ORGANIC 12,90€ £10.80

A lighter paler style of dry rosé, with a soft fruity aroma of red fruits, made primarily from Cinsault and Grenache. Lighter in style than the Tavel rosé, this Lirac is just so lovely and refreshing – as recognised by many of the wine critics

Crémant de Bourgogne, Rosé, Bailly-Lapierre, Brut 11,20€ £9.30

The twin sister of our excellent sparkling Crémant made by the Méthode Traditionnelle in the Chablis region. Made from Pinot Noir and Gamay, this is pale pink in colour and with a soft fruity flavour, this is a light dry wine that is perfect for summertime enjoyment.

Crémant de Bourgogne, Rosé, Domaine Clotilde Davenne, Extra Brut 16,40€ £13.70

A top of the range pink Crémant de Bourgogne made in the Chablis region. This example is unusual inasmuch as it is made entirely from Pinot Noir from a single vineyard and given full malolactic fermentation so that is soft on the palate. So pure. Spoil yourself with this – you won't regret it!

Richard-Dhondt, Cuvée Rosé, Premier Cru, Brut Champagne 24,90€ £20.80

This Premier Cru has a fuller pink colour than some rosé champagnes but retains a lovely freshness on the palate. Perfect with seafood and several lighter meat dishes, or simply lovely as a cool refreshing glass

of dry fruity champagne. Try it – you should not be disappointed. Presented in a clear bottle with the very attractive RD label. From our ever-popular House champagne producers, the Richard family in Dizy.

DESSERT WINES

Muscat de Rivesaltes, Château de Corneilla, Vin Doux Naturel, 2024 10,50€ £8.80

One of the finest Muscats we've tasted recently: a lighter and more refreshing style of wine than Muscat de Beaumes de Venise, this is citric-fresh but sweet. An excellent dessert wine at a sensible price.

Rivesaltes Tuilé (Rouge), Château de Corneilla, Vin Doux Naturel, 2020 14,90€ £12.40

This little-known sweet red wine is made from Grenache Noir in the Roussillon area and is like a port but without the spirit. Only tiny quantities are produced – having been aged in oak casks for four years, this is rich and smooth. You should try this – we feel you are unlikely to be disappointed.

SPARKLING WINE & CHAMPAGNE

Where not stated, our sparkling wines are made by the "traditional" method, once known as the "champagne" method.

Couronne d'Or, Chapin & Landais, Saumur Brut 10,90€ £9.10

An elegant dry sparkling wine produced in the Saumur region of the Loire, by the Méthode Traditionnelle (once called the Champagne Method). As close as it gets to Champagne, this is excellent for parties – without too great a price.

Crémant de Bourgogne, Réserve, Bailly-Lapierre, Brut 10,90€ £9.10

Made in the Chablis area of Burgundy, this is an excellent wine made from two of the three Champagne grapes: Chardonnay and Pinot Noir. A super value wine that is always popular with its softer style, appealing to a wide variety of people.

Crémant de Bourgogne, Rosé, Bailly-Lapierre, Brut 11,20€ £9.30

The twin sister of our excellent sparkling Crémant made by the Méthode Traditionnelle in the Chablis region. Made from Pinot Noir and Gamay, this is pale pink in colour and with a soft fruity flavour, this is a light dry wine that is perfect for summertime enjoyment.

Crémant de Bourgogne, Rosé, Domaine Clotilde Davenne, Extra Brut 16,40€ £13.70

A top of the range pink Crémant de Bourgogne made in the Chablis region. This example is unusual inasmuch as it is made entirely from Pinot Noir from a single vineyard and given full malolactic fermentation so that is soft on the palate. So pure. Spoil yourself with this – you won't regret it!

80% of champagne's volume comes from 20% of the houses or négociants: the big names that we all recognise – Moët, Clicquot, Bollinger etc. Typically these houses maintain contracts with growers who supply them either in grapes or in bottle with the volumes required for the houses to fulfil their sales. We have included below one of these very growers, who produce wines with individual character and at very good value.

Richard-Dhondt, Cuvée de Réserve, Brut Champagne Bottles 20,90€ £17.40

Half Bottles 12,50€ £10.40

Owing to the recent tiny harvests Richard-Dhondt has no more stock of our excellent Cuvée de Réserve until March. We are however taking orders now for collection from then.

This amazing champagne is made by a small Premier Cru and Grand Cru grower in the prime village of Dizy just outside Epernay. It's made from equal percentages of Pinot Noir, Pinot Meunier and Chardonnay, with 50% reserve (older) wine and then aged for a minimum of 18 months, giving soft fruity but toasty flavours. This is a superb find: good quality, sensibly priced with a smart label, reminiscent of Bollinger RD. Our producer has run out of Cuvée de Réserve until mid-April so we are replacing bottle size with Cuvée Supérieure for the moment.

If you want inexpensive champagne, we believe you will not find better than this. Exclusive to Boursot's.

Richard-Dhondt, Cuvée Supérieure, Brut Champagne Bottles 21,90€ £18.30

Magnums 48,80€ £40.70

Whilst Richard-Dhondt are waiting for the next release to fully mature, we have upgraded to their Cuvée Supérieure at 1€ a bottle more, and which is made from 60% Chardonnay and 40% Pinot Noir.

Richard-Dhondt is a small Premier Cru and Grand Cru grower in the prime village of Dizy just outside Epernay. A high quality wine that compares so favourably with some of the bigger "brands" but at a fraction of their price.

Richard-Dhondt, Cuvée d'Or, Blanc de Blancs, Brut Champagne 24,00€ £20.00

A fine elegant champagne made entirely from white grapes i.e. the Chardonnay. It is made by our friends, the Richard family in Dizy who also make Premier and Grand Cru wines and this is clearly evident in the quality of their "lesser" wines. Very enjoyable.

Richard-Dhondt, Cuvée Rosé, Premier Cru, Brut Champagne 25,80€ £21.50

This Premier Cru has a fuller pink colour than some rosé champagnes but retains a lovely freshness on the palate. Perfect with seafood and several lighter meat dishes, or simply lovely as a cool refreshing glass of dry fruity champagne. Try it – you should not be disappointed. Presented in a clear bottle with the very attractive RD label. From our ever-popular House champagne producers, the Richard family in Dizy.

Champagne Richard-Dhondt, Brut Nature, Grand Cru, Millésime 2017 44,30€ £36.90

A connoisseur Grand Cru champagne whose complex flavours will open up even further over the next five to ten years. The Chardonnay and Pinot Noir have been fermented with indigenous yeasts and then aged in oak. It is made almost as a fine wine. Extra-ordinary value for such quality. A revelation!

ARMAGNAC, COGNAC, EAUX DE VIE & PINEAU DES CHARENTES

To most of us, the classification on brandies is confusing. VSOP generally has an average age of 10 years, XO has an average age of 20 years, Hors d'Age ("beyond age") implies very old and is at least 10 years old...!

Pineau des Charentes, Sélection, Claude Thorin, 17% 15,70€ £13.10

Simply, this is the lightly fermented juice of the sweet Ugni Blanc grapes that make cognac, to which a little spirit has been added to arrest fermentation. Similar in style to sherry. Delicious when served chilled.

Armagnac * Delaitre, 40%** 22,70€ £18.90

Armagnac has a little more earthiness in its flavour than Cognac. This is a good typical example.

Fine Calvados, Château du Breuil, Pays d'Auge, 40% 26,90€ £22.40

Produced in the best area of the Pays d'Auge in Normandy, where all Calvados has to be double distilled, this "fine" is matured in two types of oak, coming out as a smooth rounded style with apple aromas.

Premier Cru Cognac de Grande Champagne, VSOP, Claude Thorin, 40% 43,60€ £36.30

VSOP here means it is made from a blend of cognacs between 5 and 15 years of age. Quite simply: a smooth and utterly delicious cognac from this small family producer - this beats virtually any branded cognac hands down. Wonderful value.

Chivas Regal, Mizunara, Scotch Whisky, 40% **In gift box** 59,00€ £49.20

Mizunara is a variety of Japanese oak and this is the first whisky in which the ageing is partly done in Mizunara oak which gives spicy notes. This Chivas develops fruity and rich notes from the Single Malt Strathisla, and complexity from the Longmorn. With its fruity and spicy flavours, it is said to make a good accompaniment to foie gras or Parma ham as well as, of course, to enjoy by itself for self-indulgence.

Talisker, Port Ruighe, Skye Single Malt Scotch Whisky,

Finished in Port Casks, 45.8%

In gift box 59,20€ £49.30
